Engagement Through Strategic Planning

**PORTFOLIO MANAGEMENT**
To provide access for all students to a quality education; to ensure that the educational options being offered are of the highest quality.

**STRATEGIC PARTNERSHIPS**
Build relationships and establish strategic partnerships that will create opportunities to further the Center's mission, increase state and national visibility, and further authentic and oversight best practices throughout the state and nation.

**ACADEMIC SUPPORT**
Provide expert academic support to increase overall academic performance of CMU-authorized schools.

**COMMUNICATIONS**
Engage and inform stakeholders about the Center's mission, our portfolio of schools and the importance of educational choice.

**DATA**
The Center and CMU authorized schools will use essential data that provides for effective oversight, accountability and informed decision making necessary for improving performance.

**LEADER DEVELOPMENT AND ORGANIZATIONAL CAPACITY**
To recruit, retain and develop a team of passionate professionals who are committed to the mission of the Center.

---

**Wildly Important Goals:**

1. **Utilize the IAM (quantitative) and qualitative data to develop and implement academy-specific support/oversight strategy.**

2. **Utilize dashboarding to monitor performance at the portfolio and academy level.**

3. **Evaluate the impact of academy specific support/oversight strategy.**

---

**Wildly Important Goals:**

1. **Establish partnership with five high quality operators by June 30, 2017 that will positively impact our portfolio's performance.**

2. **Establish relationships and strategic partnerships that position the Center as a thought leader and creates opportunities that will enhance our ability to improve public education.**

3. **Establish three initiatives by June 30, 2017 through partnerships with the University and leverage CMU's resources that will provide a value add to our schools while increasing CMU's reputation as a leader in education.**

---

**Wildly Important Goals:**

1. **Establish data cultures for the utilization of data for improved instruction in four (year 1) Falcon Initiative schools by May 2016.**

2. **Increase academic achievement in one 'problem of practice' area for three (year 2) Falcon schools by May of 2016.**

3. **Increase academic achievement in one 'problem of practice' area for three (year 3) Falcon Initiative schools by May of 2016.**

4. **Establish culture of 85% students engaged in classrooms in 11 schools by May of 2016.**

5. **Deliver New School Support processes for one school by May of 2016.**

---

**Wildly Important Goals:**

1. **Develop a plan targeting key stakeholders with key messaging to position the Center as setting the standards for charter school authorizing and charter school innovation, education, choice and accountability.**

2. **Develop marketing/communication materials to inform key audiences and stakeholders about the Center in general, and specific programs, services and activities.**

3. **Develop an external website as an effective communications tool that presents a positive image of the Center brand and serves as a resource for stakeholders and the public.**

---

**Wildly Important Goals:**

1. **Refine and establish key performance indicators and improve methodology that drive decision making of the Center for use during the 2015-16 reauthorization cycle.**

2. **Provide essential data to Center staff and schools that will drive decision making and the performance of the CMU-authorized schools by establishment of the new display of growth for the 2015-16 school year and additional data use by schools (e.g. provide data on problems of practice for Falcon initiative).**

3. **Use research and resources to understand the trends of educational data use that will allow the Center to stay on the cutting edge of the use of data by establishment of dashboarding in 2016 and new initiatives.**

---

**Wildly Important Goals:**

1. **Develop/development of leaders.**

2. **Recruit and retain top talent.**
