CHARTER SCHOOL CONTRACT

BETWEEN

[AUTHORIZER]

AND

[SCHOOL]

NACSA CORE CHARTER SCHOOL CONTRACT

This agreement is executed on this _____ day of _____ 20____ by and between _____ (the “Authorizer”), and _____ (the “Applicant(s)”) (collectively, the “Parties”) to establish and operate the _____ CHARTER SCHOOL (the “School”), an independent and autonomous public school under the [NAME AND CITATION OF STATE CHARTER LAW].

RECITALS

[FOR NEW SCHOOLS] WHEREAS, on [DATE], Authorizer received an application for consideration of a charter school referred to as [NAME OF SCHOOL;] and

WHEREAS, on [DATE], the Authorizer approved the application subject to conditions outlined in Resolution #[NUMBER].

[FOR RENEWAL SCHOOLS:] WHEREAS, on [DATE], the Parties have previously entered into an agreement dated [DATE] for the establishment of the School; and

WHEREAS, on [DATE], the Parties previous agreement will expire; and

WHEREAS, on [DATE], Authorizer received a renewal application from the School; and

WHEREAS, on [DATE], the Authorizer approved the application subject to conditions outlined in Resolution #[NUMBER].

NOW THEREFORE in consideration of the foregoing recitals, the Parties agree as follows:

This contract can be used for new schools or for renewal of an existing charter. It can and should be customized to accommodate the full range of governance arrangements and authorizer environments. Authorizers are encouraged to customize the contract in ways that maintain a common approach to accountability among an authorizer's portfolio of schools while also making contract creation and negotiation as simple and straightforward as possible. As explained in the Guidance that accompanies this Core Resource, to maximize transparency and accountability, NACSA strongly encourages authorizers to execute an individual contract with each school it authorizes, even when a single board governs multiple schools. This expectation need not and should not result in burdensome negotiations or costly legal fees. By using a uniform and streamlined template for all of its schools, an authorizer can quickly create a strong charter school contract for each of its schools.

AGREEMENT

ESTABLISHMENT [OR CONTINUED OPERATION] OF SCHOOL

As authorized by the [NAME AND CITATION OF STATE CHARTER LAW], the Authorizer hereby authorizes the establishment [OR continued operation] of the School with the aforementioned conditions, and on the terms and conditions set forth in this Charter School Contract (the "Contract").

MISSION

The mission of the School is as follows:

[SCHOOL'S MISSION AS STATED IN ITS APPROVED CHARTER APPLICATION]

TERM OF AGREEMENT

This Contract is effective [DATE], and will terminate on [DATE], unless earlier terminated as provided herein. Funding under this agreement shall not commence until the pre-opening process described in Appendix [NUMBER] has been completed to the satisfaction of the Authorizer.

GENERAL

- A. **Merger.** This Contract contains all terms, conditions, and understandings of the Parties relating to its subject matter. All prior representations, understandings, and discussions are merged herein and superseded by this Contract.
- B. **Amendments.** No amendment to this Contract will be valid unless ratified in writing by the Authorizer and the School's governing body and executed by authorized representatives of the Parties.
- C. **Governing Law and Enforceability.** This Contract will be governed and construed according to the [STATE CONSTITUTION AND LAWS OF THE STATE]. If any provision of this Contract or any application of this Contract to the School is found contrary to law, such provision or application will have effect only to the extent permitted by law. The Parties shall, upon the request of either party, negotiate in good faith to adopt any necessary or appropriate replacement provision.
- D. **No Waiver.** The Parties agree that no assent, express or implied, to any

breach by either party of any one or more of the provisions of this Contract shall constitute a waiver of any other breach.

- E. **No Third-Party Beneficiary.** This Contract shall not create any rights in any third parties who have not entered into this Contract, nor shall any third party be entitled to enforce any rights or obligations that may be possessed by either party to this Contract.
- F. **Non-Assignment.** Neither party to this Contract shall assign or attempt to assign any rights, benefits, or obligations accruing to the party under this Contract unless the other party agrees in writing to any such assignment.

GOVERNANCE

The School shall be governed by a board (the “Charter Board”) in a manner that is consistent with the terms of this Contract so long as such provisions are in accordance with state, federal, and local law. The Charter Board shall have final authority and responsibility for the academic, financial, and organizational performance of the School, the fulfillment of the Charter, and approval of the School’s budgets. The Charter Board shall also have authority for and be responsible for policy and operational decisions of the School, although nothing herein shall prevent the Charter Board from delegating decision-making authority for policy and operational decisions to officers, employees and agents of the School. The Charter Board shall govern the School pursuant to the following terms and conditions:

- A. **Bylaws.** The articles of incorporation and bylaws of the entity holding the charter shall provide for governance of the operation of the School as a public charter school and shall at all times be consistent with all applicable law and this agreement. The articles of incorporation and bylaws are attached to this Contract as Appendix [NUMBER] (initially or as amended, the “Articles and Bylaws”). Any modification of the Articles and Bylaws must be submitted to the Authorizer within five (5) business days of approval by the Charter Board.
- B. **Composition.** The composition of the Charter Board shall at all times be determined by and consistent with the Articles and Bylaws and all applicable law and policy. The roster of the Charter Board and each member’s disclosure form are attached to this Contract as Appendix [NUMBER] (initially or as amended, the “Board Roster and Disclosures”). The Charter Board shall notify the Authorizer of any changes to the Board Roster and Disclosures within five (5) business days of their taking effect and provide an amended Board Roster and Disclosures.
- C. **Affiliation.** Notwithstanding any provision to the contrary in the Charter, Application, or the Articles and By-laws, in no event shall the Charter Board, at any time, be composed of voting members of whom a majority are directors, officers, employees, agents or otherwise affiliated with any single entity (with the exception of the School itself or of another charter school), regardless of whether said entity is affiliated or otherwise partnered with the School. For the purposes of this paragraph,

This section can be modified to account for entities that hold multiple charters or otherwise operate multiple schools. Any modifications, however, should maintain the requirement that public funds allocated for the operation of public charter schools be kept separate from the assets, funds, liabilities, and financial records of any person, entity, or organization not engaged in that endeavor.

“single entity” shall mean any individual entity, as well as any and all related entities to such entity such as parents, subsidiaries, affiliates and partners. The Authorizer may, at its sole discretion, waive this restriction upon a written request from the School.

- D. **Conflicts of Interest.** On [DATE], the Charter Board adopted the Conflicts of Interest Policy attached to this agreement as Appendix [NUMBER] and shall at all times comply with its provisions. Any amendment to Appendix [NUMBER] must be adopted by the Charter Board and approved in writing by the Authorizer, which shall not be unreasonably withheld and may be with made without material amendment to this agreement
- E. **Non-Commingling.** Assets, funds, liabilities and financial records of the School shall be kept separate from assets, funds, liabilities, and financial records of any other person, entity, or organization unless approved in writing by the Authorizer.

THIRD-PARTY MANAGEMENT PROVIDERS

The School shall not, without explicit approval of the Authorizer, contract with a third party to provide comprehensive (all or a substantial portion of the) services necessary to manage and operate the School. If the School intends to enter into such a contract, it shall, no later than 120 days prior to the effective date, enter into a legally binding and enforceable agreement with such entity named in the Application (the “Management Provider”) in a form substantially similar to that contained in the Application (the “Management Contract”), subject to the approval of the Authorizer and the requirements set forth in Exhibit [NUMBER]. The Management Contract shall set forth with particularity inter alia, (i) the contingent obligations and responsibilities of each party in the event that the contract must be modified in order to obtain or maintain the School’s status under state and federal law, and (ii) the extent of the Management Provider’s participation in the organization, operation and governance of the School. No later than thirty (30) days prior to entering into the Management Contract, the School shall provide a copy of the Management Contract in proposed final form to the Authorizer. Such Management Contract shall be accompanied by a letter from a licensed attorney representing the School stating that the Management Contract meets the attorney’s approval. Such attorney may not represent or be retained by the Management Provider. The Management Contract shall not be executed until the School is notified in writing by the Authorizer that the Management Contract meets its approval. The School shall not enter into any contract for comprehensive school management services to be performed in substantial part by any other entity not identified as such in the Application

without receiving prior written approval from the Authorizer.

A completed contract will require additional provisions depending in large part on State law and the School's Local Education Agency status. Authorizers and Schools should determine the appropriate allocation of responsibilities within their particular legal environment while at the same time maximizing the autonomy of schools over service delivery. NACSA's [Principles & Standards for Charter School Authorizing](#) explore an authorizer's responsibilities in this area. The National Charter School Resource Center also has [materials for schools and authorizers](#) developed by the National Association of State Directors of Special Education.

(the "ADA"), section 504 of the Rehabilitation Act of 1973 (29 U.S.C. § 794) ("Section 504"), and all applicable regulations promulgated pursuant to such federal laws. This includes providing services to attending students with disabilities in accordance with the individualized education program ("IEP") recommended by a student's IEP team. The School is requesting the waivers listed in Appendix [NUMBER].

SCHOOL CALENDAR

The School shall adopt a School calendar with an instructional program that meets the compulsory school attendance requirements of state law, financial guidelines, and state regulations. In addition, the School shall transmit the final trial balance to the Authorizer using the [STATE] chart of accounts with the submission of the annual

- B. **Allocation of Funds** [FOR OTHER SPECIFIED PURPOSES]. [AS REQUIRED BY STATE LAW]

This area is generally highly state specific and governed by law and policy independent of individual charter contracts.

Authorizers will need to develop provisions consistent with state law. In developing context-appropriate provisions, authorizers should find ways to maximize school autonomy over funds. Authorizers should also consider coordinating with state finance officials to ensure that provisions are appropriate.

ADDITIONAL SERVICES

Except as may be expressly provided in this Contract, as set forth in any subsequent written agreement between the School and the Authorizer, or as may be required by law, neither the School nor the Authorizer shall be entitled to the use of or access to the services, supplies, or facilities of the other. Any service agreements between the Authorizer and the School shall be subject to all terms and conditions of this Charter School Contract, except as may be otherwise agreed in writing. The purchase of any services not expressly required under this contract or set forth in any subsequent written agreement between the School and the Authorizer or not required by law, shall not be a condition of the approval or continuation of this contract.

PROVISION OF POLICIES TO THE AUTHORIZER

Upon request, the School will furnish to the Authorizer copies of all written policies and procedures it may adopt with respect to any matter relating to its management, operations, and educational program.

BREACH OF CONTRACT, TERMINATION, AND DISSOLUTION

The grounds and procedures for termination of this Contract and dissolution of the School will be as follows:

- A. **Termination by the Authorizer.** This Contract may be terminated, after written notice to the School, and the charter revoked by the Authorizer's Board of Directors upon recommendation of the Authorizer staff. Any termination or revocation shall take effect after the School has had the opportunity to exhaust any appeal or review as provided by law. In order to minimize the disruption to students, the effective date of the termination shall be no sooner than the end of the current semester, unless termination on a different date is reasonably necessary to protect the health, safety, or welfare of students or staff. The Contract may be terminated for any of the following reasons:
 - a. Any of the grounds provided for under the [STATE CHARTER SCHOOL LAW], as they exist now or may be amended;
 1. Commission of a material violation of any of the conditions, standards, or procedures set forth in the Contract;
 2. Failure to meet generally accepted standards of fiscal management;
 3. Violation of any provision of law from which the School was not specifically exempted;
 4. Failure to meet the goals, objectives, content standards, pupil performance standards, applicable federal requirements or other terms identified in the Contract; or

- b. Bankruptcy or insolvency of the School.
- B. **Other Remedies.** The Authorizer may impose other appropriate remedies for breach including, but not limited to, revocation of waiver(s) and withholding of funds.
- C. **Termination by the School.** Should the School choose to terminate this Contract before the end of the contract term, it may do so in consultation with the Board at the close of any school year and upon written notice to the Board given at least thirty (30) days before the end of the school year.
- D. **Dissolution.** Upon termination of this Contract for any reason by the Board, upon expiration of the Contract, or if the School should cease operations or otherwise dissolve, the Board will supervise and have authority to conduct the winding up of the business and other affairs of the School; provided, however, that in doing so the Authorizer will not be responsible for and will not assume any liability incurred by the School under this Contract. The Charter Board and School personnel shall cooperate fully with the winding up of the affairs of the School.
- E. **Disposition of School's Assets upon Termination or Dissolution.** Upon termination of this Contract for any reason or if the School should cease operations or otherwise dissolve, then, at the sole discretion of the Authorizer, any assets owned by the School, including tangible, intangible, and real property, remaining after paying the School's debts and obligations and not requiring return or transfer to donors or grantors, or other disposition in accordance with state law, will become the property of the Authorizer.

INSURANCE AND LEGAL LIABILITIES

- A. **Insurance.** The School will maintain adequate insurance necessary for the operation of the School, including but not limited to property insurance, general liability insurance, workers' compensation insurance, unemployment compensation insurance, motor vehicle insurance, and errors and omissions insurance covering the School and its employees, with policy limits as set forth in Appendix [NUMBER] incorporated into this agreement.
 - a. Comprehensive general liability: \$[NUMBER]
 - b. Officers, directors and employees errors and omissions: \$[NUMBER]
 - c. Property insurance: As required by landlord
 - d. Motor vehicle liability (if appropriate): \$[NUMBER]
 - e. Bonding (if appropriate): Minimum amounts \$[NUMBER], Maximum amounts: \$[NUMBER]
 - f. Workers' compensation: As required by state law.

Such insurance contracts shall have the Authorizer named as an additional insured. The Authorizer may reasonably require the School to adjust the coverage and limits provided for under the terms of any particular contract or policy. The School will pay any deductible amounts attributable to any acts or omissions of the School, its employees, or agents.

- B. **Insurance Certification.** The School shall, by [DATE] of each year, provide the Authorizer with proof of insurance as required by state law and Authorizer policy.
- C. **Risk Management.** The School will promptly report to the Authorizer any and all pending or threatened claims or charges; promptly provide the Authorizer's general counsel and risk manager with all notices of claims; cooperate fully with the Authorizer in the defense of any claims asserted against the Authorizer, its board members, agents or employees arising from or related to the operation of the School; and comply with the defense and reimbursement provisions of [STATE LAW] and the Authorizer's and the School's applicable insurance policies. If the School obtains insurance through any policy held by the Authorizer, it shall comply with all risk management requirements of the Authorizer and its insurer.
- D. **Limitation of Liabilities.** In no event will the Authorizer or its Board members, officers, employees, or agents be responsible or liable for the debts, acts or omissions of the School, its officers, employees, or agents.
- E. **Faith and/or Credit Contracts with Third Parties.** The School shall not have authority to extend the faith and credit of the Authorizer to any third party and agrees that it will not attempt or purport to do so. The School acknowledges and agrees that it has no authority to enter into a contract that would bind the Authorizer and agrees to include a statement to this effect in each contract or purchase order it enters into with third parties. The School acknowledges that the same provisions in law or Authorizer policies that apply to the Authorizer itself limit the School's authority to contract.
- F. **Indemnification.** To the extent claims are not covered by insurance or barred by governmental or other immunities, the School and Authorizer each agree to indemnify, defend and hold the other, its Board, agents, and employees harmless from liability, claims, and demands on account of personal injury, sickness, disease, death, property loss or damage, or any other losses of any kind whatsoever to the extent such liability arises from any activities proximately caused by the indemnitor, its directors, officers, agents, employees, volunteers or assigns. The indemnities stated herein shall not be deemed a relinquishment or waiver of any kind of applicable limitations of liability provided to either party by law, whether as a public body or otherwise. Where a claim is ultimately found to be barred by immunity or other limitation, the indemnitor remains obligated to defend and hold the indemnitee (and the others named above) harmless from such a suit or claim. The obligation of indemnification includes all attorney fees, costs and expenses incurred by the indemnitee in defense of any suits, actions, grievances, charges and/or proceedings.
